ANNEXURE-1

2.2.3 Institution facilitates building and sustenance of innate talent /aptitude of individual students (extramural activities/beyond the classroom activities such as student clubs, cultural societies, etc)

Co-curricular activities are those activities which are undertaken along with academic studies. Typically, co-curricular activities are carried out outside the normal classrooms but they supplement academic curriculum and help in learning by doing. These activities help students to develop problem-solving, reasoning, critical thinking, creative thinking, communication, and collaborative abilities.

Students club is a place for students to share their views and outlook. They are the essential part of college life which help them channelize diverse interests and talents. Through this club activities will be organized to allow the fellow students to participate, learn and showcase their talents. It brings out the competitive edge in the students which help them become a better person. These activities will be facilitated through the student council and a faculty advisor will work collaboratively with students to create and engage a vibrant co-curricular and extracurricular experience. Various clubs have been formulated comprising of various staffs to conduct activities in their respective clubs. To name a few we have clubs like **Photography club, Fine Arts club, literary club, social service Club, Eco Club, Cultural Club and Electoral Literacy Club.**

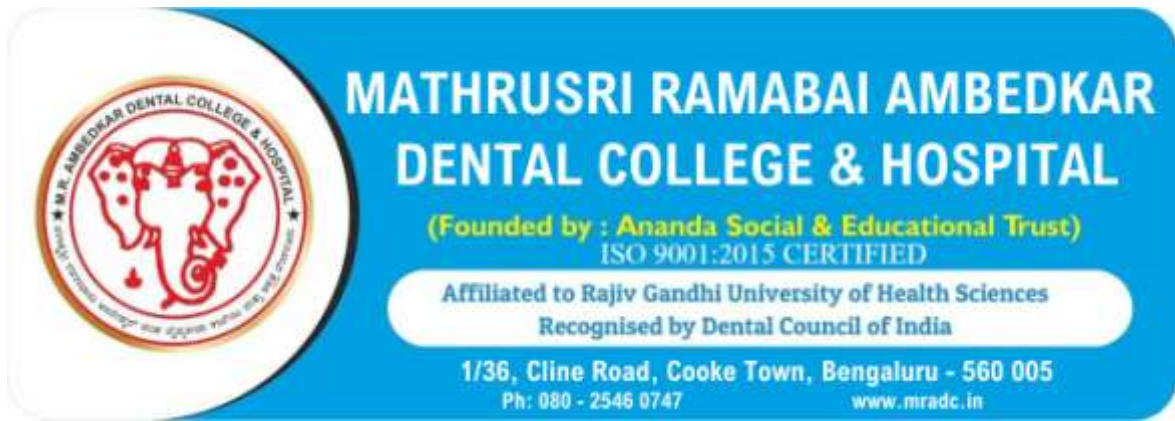

The newly joined students are welcomed by celebrating Fresher's Day in our college. The purpose is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence and to bond and unite with the seniors.

The **literary club** conducts quizzes, debate competition etc. for the students.

Fine arts club conducted a workshop by an artist Mr. Jatin Saini in preclinical prosthetic lab of MRADC&H. A group of around 60 students belonging to UG, PG and intern category attended the workshop.

Cultural club organizes various cultural activities, such as Republic Day, Independence Day, Rajoytsava day, AmbedkarJayanti, Dentist Day, Teachers `day, Gratitude week, Christmas etc. in which all students and faculty are encouraged to participate actively.

Our institution supports students' holistic growth. Students take part in a variety of competitive sports both intra and inter college level. Through these competitions, the participating students demonstrate their athletic abilities. The college sports committee organizes “**Sports Week**” annually. Students and staff actively participate in a variety of indoor and outdoor games inside the college campus, such as Table Tennis, Football, volley ball, throw ball, tug of war, Badminton, Cricket and various indoor games like carom, chess and athletic events for which the college provides with designated play areas and courts for these games.

World Environment Day is celebrated every year and various local events are held to spread awareness about the day by conducting activities such as segregation of waste, awareness about keeping the surroundings clean and plastic free environment.

The Public Health Department also conducts various **camp**s in blind schools, spastic society, blood donations camps etc.

International Women’s Day is celebrated every year on March 8 to recognize the social, economic, cultural and political achievements of women. The college organizes various programs on the occasion of National and International Women’s Day. Collage competition was held on the same day for the topic “Cybercrime against Women”.

Electoral Literacy Club actively engaged in voter awareness campaigns, registration drives, and educational initiatives targeting both students and the wider community.
