13th January 2024

A total number of one Thirty four (134) individuals provided with routine dental check-up and sixteen (16) individuals were provided with treatment i.e. oral prophylaxis , restorations and all the individuals were educated on oral hygiene, maintenance and disease prevention. During the process of screening and treatment patients were educated by our staffs and interns regarding maintenance of good oral health.

We the staffs and interns proceeded to the institution along with the mobile dental unit. The camp ended with the vote of thanks and facilitated by the organizers.

REPORT ON POSHAN PAKWADA

Year 2021

Department of Preventive and Community health dentistry along with the NSS Unit organized a lecture on the occasion of “Poshan Pakhwada - Good Nutrition Practices” on 21st September 2021. Mr Subramanyam and Dr Umashankar discussed the measures to promote good health by following a nutritious *eating habit*.

The initiative of this program was to ensure people’s participation to improve nutritional outcomes in a holistic manner. Around 60 students and faculty participated in this program
