TO WHOM SO EVER IT MAY CONCERN:

Sub: Teaching of medical subjects to the dental students of
Mathrushi Ramabai Ambedkar Dental College, Bangalore.

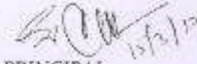

The Mathrushi Ramabai Ambedkar Dental College & Hospital and Dr.
B.R. Ambedkar Medical College & Hospital, Bangalore are the two institutions
under the management of Ananda Social & Educational Trust. These two
colleges are located in two different places, which are close by for administrative
convenience.

The first year BDS students who are to be taught in medical subjects, both
clinical and non-clinical are being taught in Dr. B. R. Ambedkar Medical College
& Hospital, being a sister concern of M. R. Ambedkar Dental College. Thus, the
problem of locating of a separate medical college for the purpose of teaching
medical subjects for the dental students was overcome. The services of
Professors and other faculties in the medical college are being utilized to
teaching dental students without affecting the teaching schedule of the medical
students. This has been the practice ever since the college was started during
1986-87. Teaching medical subjects for the dental students in medical college has
not created any problem and the BDS students have been very happy to use this
system to attend the classes in Dr. B. R. Ambedkar Medical College & Hospital.

M.R. Ambedkar Dental College & Hospital
Bangalore - 560 005

We therefore request you to kindly accept the previous arrangement of
teaching the dental students in medical subjects in Dr. B. R. Ambedkar Medical
College & Hospital.
