Dear Madhansan,

Re: Medical Office Practices

Completion of Program

It is a pleasure to be successful in the completion of your program!

Although the college recognizes the academic accomplishments of our graduates through commutation, including Co-OP, it is a proud moment for us to have you completing this year.

We know you are eager to move into the workforce and we would like to assist you in achieving your educational requirements for your subsequent training and employment. Our intention is to set all plans this period based on the guidelines and standards provided by public health authorities.

The last step in checking your year for completion will be to complete your immunization. Once details about future immunization are confirmed, a receipt will be shared through the college website and email will be mailed to graduates.

If you require a transcript of your records to date, please submit your request through the Portal Service on My Conestoga. The request will be subject to the fee applicable at that time. To ensure your record is up to date and any transcripts and documents reach you safely, please send us any mail during academic year, unless stated otherwise.

On behalf of the faculty and staff of Conestoga College, we wish you continued success and look forward to supporting your future endeavors.

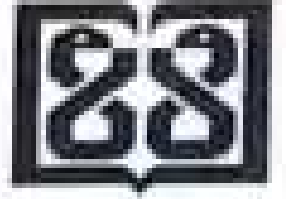

Sincerely,

Registrar

About Your GRE Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see “Not Available” in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile rank is based on the scores of all test takers who tested within the most recent three-year period. Subject Test scores are based on the scores of all test takers

Dear Judith,

Congratulations! I am pleased to inform you the HPA Admissions Committee has recommended your admission to the Master of Health Administration Program at The Pennsylvania State University.

The final decision on admission is made by The Graduate School upon verification of the authenticity of all credentials submitted in your application, including your official academic transcript. We appreciate your patience while this necessary step in the graduate admissions process is conducted.

Our team encourages all students to connect with Penn State's Office of Student Aid to explore any questions regarding financial aid. Regarding financial aid from the Department of Health Policy and Administration, there are no need-based awards. HPA has a limited pool of funding which is prioritized for our doctoral candidates. <https://studentaid.psu.edu/>

If the Graduate School concurs with our recommendation, you will receive an email notification with a prompt for you to go into The Graduate School Admissions System (GRADS), where you will indicate your official acceptance of our offer.

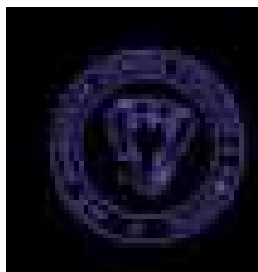

To allow our department to begin preparations for you to join us, please sign this letter on the acceptance line below and return a *scanned* copy via email to Graduate Programs Coordinator Daphne Mark, d1m79@psu.edu by April 22, 2022.

Your Onboarding Intensive will begin on Sunday, August 21, 2022, and an online orientation will precede the semester. You will be provided additional information about our orientation schedule in July. In the meantime, please contact us at 814-865-0631 if you have any questions.

We very much hope you will accept our offer as we look forward to welcoming you into the Penn State family!

Sincerely,

Christopher S. Hollenbeak, Ph.D.

About Your GRE Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see “Not Available” in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent test administration.

Dear Shaik Faizaan

Congratulations on receiving an offer to study with us - we hope you are pleased.

The details of your offer are noted below. As well as meeting the entry requirements for your course, you may also need to provide some additional information before joining the University. The 'Additional Tasks' you need to complete are listed under your offer. If you are not required to provide any additional information then nothing will be listed.

If you are required to provide the University with some evidence (for example a previous qualification) or submit some additional information (such as a reference or research proposal) please scan and upload these using this Student Records Online web-portal. Click the 'Go Back' button below to find full instructions for uploading documents.

If you would like any additional help or advice then please contact us at admissions@glos.ac.uk or via +44 (0)3330 141414.

Your Offer - MBA Global Business Administration (Healthcare Leadership and Management) (with placement) [2Y FT, 300 credit]:

A conditional offer has been issued for your course. In order to confirm your place at the university you will need to upload your documents to CAS Shield (our international platform - see details below), if you have not already submitted them with your application:

- Evidence of your academic qualifications. See our ['in your country'](#) to check whether you qualify.
- Evidence of your English Language. See our [English language pages](#) to find out more.
- A supporting statement
- An academic reference
- A copy of your passport

We will not consider your application formally until all documents have been uploaded to your CAS Shield account.
