DEPARTMENT OF ORAL MEDICINE AND RADIOLOGY REPORT OF THE PROGRAMME

On August 22, 2022, the Department of Oral Medicine and Radiology at M. R. Ambedkar Dental College and Hospital, Bangalore, hosted a CDE program on “**Current Trends in the Application of Lasers in the Management of Oromucosal Lesions.**” The event featured Dr. Sangeetha S and Dr. Gaurav Sharma as guest speakers. **Dr. Sangeetha S, Alumni of MRADC** and currently Associate Professor at M. R. Ambedkar Dental College, provided an overview of laser technology, including production, delivery systems, properties, and safety. Dr. Gaurav Sharma from Bangalore Institute of Dental Sciences discussed laser physics, action mechanisms, and current trends in laser applications for oromucosal lesions.

The program, attended by 190 participants, included a hands-on session with live patient demonstrations. Certificates were distributed by Vice Principals Dr. Rabindra S Nayak and Dr. Lalit Vivekananda, along with the Chief Guest and Head of Department, Dr. G. Roopashri. The event concluded with a vote of thanks and active participation from all attendees.

National Symposium on Forensic Odontology and Disaster Victim Identification

Date: February 3rd and 4th, 2023

Location: M. R. Ambedkar Dental College and Hospital
workshop speaker: Dr. Deepak V.

Objectives

1. Enhance Understanding: Deepen knowledge of forensic odontology and its application in disaster victim identification.
2. Foster Collaboration: Promote teamwork between forensic experts, dental professionals, and law enforcement.
3. Update Knowledge: Share the latest techniques and technologies in forensic odontology.
4. Address Challenges: Discuss challenges in victim identification and forensic analysis.

Workshops and Training

- Dental Record Analysis: Techniques for matching dental records to unidentified bodies.
- 3D Imaging and Technology: Demonstrations of advanced forensic imaging technologies.
- Mass Disaster Identification: Exercises on coordinating victim identification in emergencies.

Discussions and Outcomes

- Integration of Technology: Emphasis on incorporating 3D imaging and DNA analysis.
- Training and Education: Importance of ongoing professional development.
- Inter-Agency Collaboration: Need for enhanced cooperation among forensic experts and emergency teams.

Conclusion

The symposium successfully met its goals by facilitating knowledge sharing and professional development. Positive feedback highlighted the event's impact on advancing forensic odontology and improving disaster victim identification practices.

An orientation program “**Abhimukhyam**” for the 1st year post-graduate students 2021-2022 batch was organized from 07/04/2022 to 11/04/2022 in the college auditorium and A.V. Room. The objective of the program was to help students adjust to the campus through a series of activities and sessions organized as part of the program. At the PG Orientation Program – “Abhimukhyam” held on 08-04-2022, Dr Shashikala who is an alumni from MRADC, gave a talk on communication skills and time management, She also spoke to the fresh post-graduates about conflict management giving them an insight on how to go about minor conflicts among various members of a team.

Dr. Fouzia Tarannum analumni from MRADC gave a guest lecture on budget planning for research. The speaker shed light on various important aspects of research projects. She also gave a detailed description on how to do budget planning for research and also how to apply for research grants. The entire program gave the audience ample knowledge of various aspects of dental research. All staffs, Undergraduates, postgraduates and interns attended the program. And the guests were felicitated by our principal and other HODs.

At the PG Orientation Program “Abhimukhyam” held on 07-04-2022, Dr Rupamalini S N who is an Alumni from MRADC, gave an insight on the MILANA MRADC ALUMNI ASSOCIATION to the new post-graduates. Dr Rupamalini S N spoke about the basic constituents of the MILANA ALUMNI association and provided the key activities carried out by the association.

ANNUAL SPORTS MEET 2022

The annual sports meet was held on 12th November 2022 at mount Carmel college grounds Bangalore. It was an honor to have Dr Sudhindra an alumni of our prestigious institution as chief guest for the annual sports meet 2022. The day began and ended with laughter, games and fun filled events. The event brought out vigor, happiness and team spirit of the participants. Dr sudhindra thanked the management and the principal for inviting him to the sports meet and said it brought back the nostalgic memories of sports events. He also praised the youngsters for great sportsmanship and encouraged them to keep up the team spirit. The principal thanked Dr Sudhindra for gracing the event and also felicitated him.

The alumni reunion was held for the batch of 1992 on the 20th of July 2022 at MRADCH. The event was initiated by introductory talk followed by invoking God's blessing and lighting the lamp. The reunion was a joyous and heart-warming occasion which brought about nostalgia in all of the members as they walked through the memories at MRADC back in the 90s. During this get together the alumni batch also proposed the inauguration of MILANA cup and MILANA T shirt.

IQAC INITIATIVE

Department of Pediatric & Preventive Dentistry
In association with MILANA - MRADC Alumni Association

Presents CDE on DENTAL EMERGENCIES

Dental emergencies encompass a range of conditions, which include but are not restricted to instances of facial swelling, infections, uncontrollable bleeding, pain, and injuries to the oral-facial region. The provision of emergency care remains a pivotal element in ensuring continuous and accessible dental services within a dental clinic.

Moreover, in situations involving dental emergencies concerning patients who are not previously registered within the dental practice, it is a dentists' responsibility to provide rational measures for facilitating immediate dental care. Such cases can arise in any dental office, regardless of the practitioner's specialized field.

LEARNING OBJECTIVES:

- Perform initial assessment of a dental emergency and provide suitable interim care until a specialist referral, if necessary.
- Identify and categorize dental injuries.
- Present clinical cases illustrating effective management strategies.

RESOURCE PERSON

Dr. Shreya Sood obtained her Doctor of Dental Surgery (DDS) degree from Columbia University College of Dental medicine in 2021, where she received the divisional excellence award in Pediatric Dentistry.

Prior to continuing her education in the US, she graduated from M.R Ambedkar Dental College and Hospital in 2015, where she was awarded the Best outgoing student.

She pursued and completed her pediatric dental specialization training from Columbia University and New York Presbyterian hospital. She is currently a practicing dentist in the New York and New Jersey Metropolitan area.

A CDE program was conducted by Department of Pediatric and Preventive Dentistry in Association with Milana MRADC Alumni Association. M.R. Ambedkar Dental College and Hospital, Bangalore on 8th September 2023, on "Dental Emergencies". The Resource person for the CDE program was **Dr. Shreya Sood., DDS**, from Columbia university with divisional excellence award in Pediatric Dentistry and **alumni** from this esteemed institution. Our honorable medical superintendent, Dr. Umashankar G K invited the Resource person on to the dais and delivered the welcome speech. Resource person was welcomed with a bouquet of flowers by Dr. Ila Srinivasan, Professor & Head, Department of Pediatrics and Preventive Dentistry. Dr. Sindhu, Senior lecturer, Department of orthodontics gave an introductory speech on our alumni/ resource person. Our speaker for the day, Dr. Shreya Sood, delivered a lecture on "Dental Emergencies". She explained about Pediatric dental emergencies and their management. The session was very informative. Once the lecture was over, a vote of thanks was delivered by Dr. Sanober, Senior Lecturer, Department of Prosthodontics, followed by Memento presentation by Dr. Jayanthi. D, Professor & Head, Department of periodontics.
