CIRCULAR

SUB: INTERDEPARTMENTAL CLINICAL-PATHOLOGICAL CASE SEMINAR (IDCPS)

This is to inform all faculty members and postgraduate students that the **Interdepartmental Clinical-Pathological Case Seminar (IDCPS)** will be conducted as per the schedule given below.

The seminar aims to promote interdisciplinary learning through comprehensive discussion of clinically challenging cases, clinico-radiological-pathological correlation, evidence-based treatment planning, and collaborative decision-making among various dental specialties.

All faculty members and postgraduate students are requested to attend the seminar punctually and actively participate in the scientific discussion.

The presenting department is requested to ensure that the presentation, supporting investigations, and relevant literature are ready prior to the seminar.
